## Guide to the Use of the Index

Use of the index will be facilitated by noting the following points:

1. Location references are to volume, number, and first page of the article in which the item is to be found.
2. The notations COM, PF, RA, RE, and RN preceding a location reference indicates reference to Commentaries, *Polity* Forum, Review Articles, Review Essays, and Research Notes, respectively.
3. The notation "rev'd" preceding a location reference in the Author Index indicates reference to literature reviewed.
4. Title lists are arranged chronologically according to appearance in *Polity*.
5. In the Subject Index, specific concepts within political theory are entered under the general headings: POLITICAL THEORY (CONTEMPORARY CONCEPTS), and POLITICAL THEORY (HISTORICAL CONCEPTS). Theorists of historical importance are entered under the general heading POLITICAL THEORY (HISTORICAL PHILOSOPHERS).
